# YOUR HEALTH INSURANCE IN SPAIN, HASSLE-FREE

GENERALI

Settling into a new country takes time: new customs, a new language and even a new healthcare system.
GENERALI's health insurance for expats provides something essential so you can fully enjoy your life in Spain: peace of mind.

## LESS WAITING. FASTER CARE.

With **GENERALI EXPAT Medcare**, you have fast access to leading specialists, support in any emergency, and the ability to manage your appointments easily from your mobile.

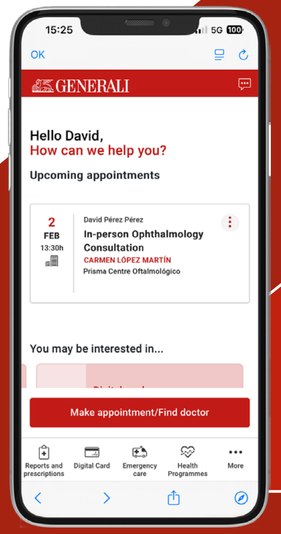
Because when you live far from home, feeling cared for — with responsive, clear and personalised attention — makes all the difference.

## MORE SPECIALISTS, CLOSER TO YOU

**1.** Choose from over **51,000 medical centres, hospitals and healthcare professionals across Spain**. Faster access to specialists, emergency care and diagnostic tests.

GENERALI

**2.** Up to **€35,000 international travel assistance cover**.
If you need reassurance about the diagnosis of a serious illness, you can request a **second medical opinion**.



**4.**

Access medical video consultations and manage your appointments, authorisations and prescriptions from your mobile through **MI GENERALI**, our customer app in English.

**3.** Get monthly psychological support and enjoy free dental services, as well as other health and wellbeing specialties at exclusive rates.

**5.**

Take out your policy easily up to the age of 74*. We provide your documents and assistance in English.

*Subject to medical underwriting.
